About Kingsley House

Founded in 1896, Kingsley House has served the children and families of New Orleans through times of dramatic change. Our mission – “Kingsley House educates children, strengthens families and builds community” – remains ever more vital today, in the aftermath of Hurricanes Katrina and Rita. Kingsley House’s nationally accredited and state certified programs include Head Start and Early Head Start preschool, after school education and recreation for youth, individual and family counseling, day care for senior citizens and disabled adults, and Medicaid and Food Stamp enrollment assistance. Kingsley House, a United Way partner agency, serves more than 8,000 individuals in 12 parishes throughout Southeast Louisiana each year.
